Holders of these type of registered governmental bonds are entitled at any time to present them before the Central Bank of the Principality of New Atlantis and as a consideration shall have rights over our natural resources at a value equal to the value of the predetermined denomination converted to the current value of one troy ounce of gold.

As a reflection of the significance of the issued denominations any further disposition shall be governed by the Central Bank rules and under its supervision.

Denominated governmental bonds are legal means, owned by the state and mainly used for the Principality's estimates with governments of other countries and their Central Banks. The governmental bonds can also be used as payment tools and with private individuals - strategic partners.

These type of governmental bonds give rights only to their owners and authorized persons, registered in the Central Bank's register, under the rules of the Central Bank and under its supervision.

In case the governmental bonds are in possession of unauthorized individuals or entities, the latter shall not result in any legal obligations, and shall have as consequence their automatic cancellation.

Recovering of the canceled copy can be done by decision of the head of state by reissuance of a new copy under the condition that the Central Bank's case study has been completed.

The governmental bonds under consideration are signed by the President of the Central Bank and the Head of the State, each of which are recorded in the respective emission books. A separate batch shall be kept for each denomination, which shall give details about all legal circumstances related to it.

By signing from the head of state, the factual provisioning of the denominations with the natural resources of the state occurs.

Each denomination "Atlant" may be presented and valid in front of a bank or third party only if the latter is done by the owner of the denomination or an issuer authorized by the issuer that is listed in the Central Bank's register and this is reflected by it on the back of the denomination.

The Head of State, the Prime Minister and the President of the Central Bank of Principality of New Atlantis may submit to any bank in which the Principality has open accounts these "Atlant"-denominations owned by the Principality of New Atlantis government and electronically through the Principality's website, confirming this with personal electronic signature or negotiated codes with the bank.

The issued currency shall be owned by the Principality of New Atlantis and shall serve to ensure the functioning of the state and the development of its economy.

This Decree shall enter into force on the day of its signature by the Head of State 30, November 2018 year.

30.11.2018r.

Prince Vladimir Balanov
